

# **NOTICE**

## **Crew Coordinators** **Tilden Pellet Plant Operating**

Employees interested in becoming a crew coordinator are requested to complete an interest form available by the job-posting box. The rate of pay for this job will be job class 25.

Interested employees are not required to be proficient in all jobs they direct, however, they must demonstrate proficiency and knowledge about the area of the operation where they would function as a crew coordinator. Those selected will be required to complete a leadership-training program (provided at the Company expense).

Interest forms must be completed by May 26, 2009 to be considered. Please deposit interest forms in the job-posting box.

**Incumbent Crew Coordinators must also complete an interest form.**

J. E. Jason  
Section Manager – Labor Relations
