Subject Matter Experts

Employees interested in being assigned as a Subject Matter Expert (SME) should submit a **job application**, in the job posting box. SME's will be utilized to provide specific task training and hazard recognition training. The training will be conducted in the classroom and in a hands-on environment. The responsibility of the SME is to ensure training is accurate, comprehensive, consistent and documented. Bids for the position of Subject Matter Expert will be accepted from the Trade and Craft unit, Production and Service unit, or department involved. These positions will be Electrical, Maintenance and Operating. You will only be given consideration in the department in which you currently work.

Only those **job applications** submitted before 8:00 a.m. on February 22, 2010 will be considered.
